MEMORANDUM FOR: Director of Security

SUBJECT : Miscellaneous Items

Oz:

1. For your information.

2. Not having the benefit of any background or an opportunity to talk to him about it, I can only report that John Bross shoved across the Morning Meeting table a document with a remark to the effect that your people will have to stop addressing Mr. McLucas incorrectly as the Assistant Secretary of the Air Force for Research and Development. The document which is addressed to [] Control and Security Officers" is [] dated 24 June and it supersedes [] dated 19 June 1968 which deals with titles to go with NRO NRP D/NRO.

3. I assume that your people who deal with these things are already on board on this one.

4. Mr. Jack Smith noted at the 1 July Morning Meeting that he wished to talk to the Director about the handling of the debriefing of [] I gathered that this has been a matter of some difficulty.

5. Before the Morning Meeting Mr. Gordon Stewart asked if you and your people anticipated any problems in connection with the fourth of July Honor America Day celebration and also if we were taking any unusual cautionary action. I told him I was not aware of any items from you which would indicate specific problems or preparations.
